

June 7, 2018

PRESS RELEASE: OMSA congratulates Premier-elect Doug Ford and the Progressive Conservative Party of Ontario on their victory in the 2018 Ontario General Election.

The Ontario Medical Students Association (OMSA) would like to congratulate Premier-elect Doug Ford and the Progressive Conservative Party of Ontario on their win in this year's general election in Ontario. We would also like to take this opportunity to applaud all candidates and party leaders on their run and their participation in this democratic process. We look forward to working with the new majority government to advocate for meaningful healthcare reform on behalf of Ontario medical students and our patients.

Throughout this election, the topic of Ontario's health care system has been at the forefront of policy discussion. Both the Canadian Medical Association and OMSA have highlighted two critical issues that need an urgent response: the length of wait times in the province and its impact on patients, and the growing number of unmatched medical graduates.

OMSA looks forward to collaborating with both the Progressive Conservatives and all opposition parties to address these issues and work towards improving Ontario's health care system.

Sincerely,

Silvio Ndoja
